Target Coverage: All of the 38 programmed COMIREX targets were photographed. In addition, 22 other COMIREX targets and 15 bonus targets (not on the COMIREX list) were photographed. Of the total 75 targets covered, 34 were rated good, 29 fair and 12 poor in regard to photo interpretability by interpreters [REDACTED]

25X1

[REDACTED] A detailed listing of targets covered and PI rating is included as an attachment to this memorandum.

Weather in the target area was generally clear to scattered clouds. Photography of targets located at a distance from the flight line was degraded by haze.
